

## Cash Bash

**March 2nd** is our next big fundraiser, the Charity Cash Bash. Thanks to all the hard work of everyone selling tickets, we had all 275 sold by the week before! Neimerg's will be catering again this year and we will have extra dinner only tickets available at the door. New this year: an open bar from 6pm-9pm, a new game called Heads and Tails, with a couple of gift baskets for the winners.

## disABILITY Expo

**The disABILITY Expo** is March 30th at the Vineyard Church on North Lincoln Ave in Urbana. This expo, organized by the Champaign County Developmental Disabilities Board, helps vendors and organizations connect with the people who need their help. GCC AMBUCS will be there again this year, with an Amtryke giveaway and information on all our other projects, such as ramp building and the support of AMBUCS Park in East Urbana. Stop by our booth from 9am-2pm!

## Amtrykes

**February is** a slow month for Amtryke requests but we have one on order, and Carle therapist, Earl Martin, has at least two he would like to get on order. We have been very successful at getting grants for Amtrykes, from the Orange Krush and from the Rotary West Club. These grants will allow us to help even more people maintain their mobility.

## Ramps

**It's way too cold in February** for building wheelchair ramps, but not for donations of metal ramps and we just got another one. The Veterans Administration gave the ramp to a veteran who then passed away. They don't want the ramp back and the niece contacted us to see if we could use it for someone else. Ramp build leader, Ray Griest, checked it out and we will get it as soon as possible and store it until we can find the perfect place for it. We appreciate people thinking of us when these opportunities occur.

## Tidbits

**Several AMBUCS** have been dealing with health issues this month, Kim VanEngelenburg, Arlie Saldeen, Larry Windingland, Andrea Betzler and Bud Mesker. Please send them good thoughts and prayers.

**Please also** send condolences to the Gibbs family on the loss of their beloved dog, Wrigley.

**Ray Griest and Renae' Strawbridge** will be community greeters at Urbana Early Childhood School one day in March. Member, **Cris Vowels**, is the principal at the school.

**A special thank you** goes out to Scott Price for taking down the lights in AMBUCS Park. He wanted to make sure nothing happened to the giant star that shown from the Driscoll pavilion.

**And speaking of Scott Price** he and wife Anne are new grandparents! Daughter Emily Rolson gave birth to an 8 pound healthy baby boy named Hayden.

**This month's Oops! award** goes to Ray Griest. While working on a tractor in a shed, he tripped over a pallet and ended up with a black eye.

## Splinters from the Board
